Mr. Quinn moved to reconsider the vote by which the bill was passed and to table the motion to reconsider.

The motion to table prevailed.

Reason for Vote.

I voted against the four-cent gas tax on its final passage because I think it is too high. But the House passed it overwhelmingly, and I now vote for it so that it may go into immediate effect, not that I have changed my stand on the bill.

RELATIVE TO BOUNDARY LINE BETWEEN TEXAS AND OKLAHOMA.

The Speaker laid before the House, for consideration at this time, the following resolution:

S. C. R. No. 17, Relative to boundary line between Texas and Oklahoma.

Whereas, On the 4th day of February, 1929, the Senate passed Senate concurrent resolution No. 19 directing the President of the Senate and the Speaker of the House of Representatives to appoint a joint committee to be composed of five members of the Senate and seven members of the House authorized and directed to confer with a like committee of the State of Oklahoma to inspect a certain strip of land, which would probably be awarded to the State of Texas under a decree of the Supreme Court of the United States in the case styled Oklahoma v. Texas, involving the bound-

ary line between the two States along the line of the one hundredth meridian, and to report back to the Legislature of Texas such recommendations as to adjusting the rights and equities of parties who occupy the land involved, together with such recommendations with reference to the final disposition of the controversy as to such boundary line, and rights of said parties occupying said land, as, in their judgment, was wise and proper, and

Whereas, Acting under said concurrent resolution said committee inspected said land but has not made any report to the Legislature of Texas with reference to the final disposition of the matters involved arising out of the location of said one hundredth meridian boundary line; and

Whereas, The State of Oklahoma has expressed a desire to enter into a compact with the State of Texas as to the location of said one hundredth meridian boundary line and as to the rights and equities of parties occupying the disputed territory, and with reference to the adjustment of any and all controversies which have arisen and which are likely to arise by reason of the pendency of the disputes and controversies through years past of the proper location of the one hundredth meridian boundary line between the States; and

Whereas, The situation as to said controversies, equities and other things in dispute and likely to arise in reference to the same is such that it is desirable that an effort be made upon the part of the two States to adjust all of said controversies by some sort of a compact covering all of them; and,

Whereas, The proper authorities of the State of Oklahoma have indicated that they are ready and willing to make to the State of Texas a definite proposition of adjustment by compact of all of such controversies; therefore, be it

Resolved, By the Senate and the House of Representatives of the Forty-first Legislature of the State of Texas: That said committee heretofore appointed confer with the proper committee or authorities of the State of Oklahoma at the earliest practicable date and receive from them a definite proposition of settlement through compact of all of the controversies and disputes which have arisen, or which are likely to arise, by reason of said one hundredth meridian boundary line location and report in definite and concrete form to the Legislature of Texas said proposition of the State of Oklahoma for such action by

the Legislature of Texas as may, in their judgment, be wise and proper, said report to be made to the next session of the Legislature of Texas, whether regular or special, for action by such session. Be it further

Resolved, That the Attorney General of Texas be requested to attend all sessions of said committees and render such assistance and advice as said committees may desire in the premises, and that all necessary expenses incurred by said committee and said Attorney General in carrying out the provisions of this resolution be paid out of the contingent fund of the Legislature of the State of Texas on claims properly approved by the presiding officer of the respective houses.

The resolution was read second time and was adopted.

SENATE BILL NO. 9 ON SECOND
READING.

On motion of Mr. Anderson, the regular order of business was suspended to take up and have placed on its second reading and passage to third reading.

S. B. No. 9, A bill to be entitled "An Act authorizing the Governor to appoint a commission of three citizens of the State of Texas to acquire, by purchase, condemnation or otherwise, all remaining property now privately owned in the block bounded by Alamo Plaza, Nacogdoches and East Houston Streets, in the city of San Antonio, surrounding the historic Alamo, for the State of Texas; prescribing the duties of such commission, and describing the land to be purchased; authorizing condemnation proceedings; making appropriations for the acquisition thereof and the expenses in connection therewith; directing how and when the same shall be paid for, and declaring an emergency."

The Speaker laid the bill before the House and it was read second time.

Mr. Anderson offered the following (committee) amendments to the bill:

Committee Amendment No. 1.

Strike out all after the enacting clause of Senate bill No. 9 and insert in lieu thereof the following:

Section 1. The Governor shall appoint a commission of three citizens of this State, neither of whom shall be citizens of or residents of Bexar county, as a board to negotiate for, purchase, or otherwise acquire, the hereinafter described property in the block bounded by Alamo Plaza, Crockett, Nacogdoches and East Houston Streets, in the city of San Antonio, adjoining the historic Alamo, the title to all of said land to be taken in the name of the State of Texas:

All that property extending on an approximate line from the present southeast corner of the Alamo grounds to the northwest line of the property owned by the city of San Antonio and occupied as a fire station in said block; thence along said property line south to Crockett Street; thence west to Alamo Plaza, thence north to the Alamo Chapel.

The official name of said board shall be "The Alamo Land Acquisition Board," and said board may act by majority vote in all cases, and appoint its own presiding officer, together with such clerical and other assistance as said board may deem necessary.

Sec. 2. The sum of two hundred and fifty thousand and no/100 (\$250,-

000) dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the State Treasury not otherwise appropriated, to be expended by said board with the approval of the Governor, for the purpose of acquiring said lands under the terms of this act, and pay the necessary expenses in connection therewith.

Sec. 3. Said board shall require that a good and sufficient title to each tract needed as aforesaid shall be obtained, proper abstracts and evidences of title shall also be obtained, the Attorney General of the State of Texas to pass on the sufficiency thereof, and should said board be unable to acquire said lands or any portion thereof by voluntary sales or conveyances then said board shall have the right to acquire the same by condemnation proceedings under the direction of the Attorney General of the State of Texas.

Said board shall purchase said lands upon agreements directly between them and the different owners, and at the lowest price possible to be agreed upon between said board and said owners, and if the purchase price of any of said lands or portions thereof cannot be so agreed upon, then said board is hereby authorized and empowered to acquire the fee simple title thereto by condemnation proceedings, in accordance with provisions of Title 52, of the Revised Civil Statutes of the State of Texas, of 1925, in so far as the provisions thereof may be applicable; said proceedings shall be had before the county court of Travis county, Texas, and venue for all purposes in connection therewith is fixed in said Travis county, Texas.

Sec. 4. Said proceedings for condemnation shall be had in the name of the State of Texas as plaintiff, and shall be under the charge and direction of the Attorney General; if the State should desire to enter upon and take possession of the property sought to be condemned, pending litigation, it may do so, through said board, at any time after the award of the commissioners, upon the following conditions, to-wit:

(a) It shall pay to the defendant or defendants the amount of damages awarded or adjudged against it by the commissioners, or deposit the same in money in court, subject to the order of the defendant or defendants in such condemnation proceedings, and also pay the costs awarded against it.

(b) Should it be determined on final decision of the case that the right to

condemn the property in question does not exist, the plaintiff shall surrender possession thereof, and the court may also inquire what damages, if any, have been suffered by the defendant or defendants, by reason of the temporary possession of the plaintiff; provided that in any case where the award paid the defendant or defendants, or appropriated by him or them, exceeds the value of the property as determined by the final judgment, the court shall adjudge the excess to be returned to the plaintiff; and provided further, that if the amount awarded on final decision of the case shall exceed the amount so paid the defendant or defendants, or deposited in court as aforesaid, then the defendant or defendants shall recover against the plaintiff for the amount of such excess, and the Legislature at any subsequent session thereof, shall make proper appropriation therefor.

Sec. 5. The purchase price of any and all lands acquired under the provisions of this act, and all expenses in connection therewith, as provided in Section 5 hereof, shall be paid by vouchers drawn by the Comptroller of the State against the fund herein provided, upon a written order of at least two of the commissioners appointed under the terms of this act, with the approval of the Governor, and no vouchers shall be drawn for the purchase of any of the lands described in this act unless the title papers in connection therewith, approved by the Attorney General, accompany the order of the commissioners to the Comptroller for the vouchers.

Sec. 6. The commissioners herein provided for shall receive the sum of ten dollars (\$10) per day and expenses, for such time as they may be actually engaged in the work incident to the acquisition of the property herein described, not to exceed one hundred and fifty (150) days and said commissioners are authorized to expend such sums as they may deem necessary for clerical assistance, and to make or have made such surveys and scientific investigation as they may deem necessary, all to be paid out of the fund herein provided for and set apart.

Sec. 7. The fact that it is important that the property above described be at once acquired by the State, and that it is to the State's advantage that the same be so acquired now, because of the rapidly advancing prices in the city of San Antonio, and the fact that now is an opportune time for the acquisition

of said lands, creates an emergency and imperative public necessity that the constitutional rule requiring bills to be read on three several days in each house, be suspended and that this act shall take effect and be in force from and after its passage, which rule is hereby suspended, and it is so enacted.

Committee Amendment No. 2.

Strike out all before the enacting clause and insert in lieu thereof, the following:

A bill to be entitled "An Act authorizing the Governor to appoint a commission of three citizens of the State of Texas, to acquire, by purchase, condemnation or otherwise, certain property now privately owned, in the block bounded by Alamo Plaza, Crockett, Nacogdoches and East Houston Streets, in the city of San Antonio, adjoining the historic Alamo, for the State of Texas; prescribing the duties of such commission, and describing the land to be acquired; authorizing condemnation proceedings; making appropriation for the acquisition thereof and the expense in connection therewith, directing how and when the same shall be paid for, and declaring an emergency."

Whereas, Under the provisions of Senate concurrent resolution approved January 31, 1927, the Governor appointed Mrs. Clara Driscoll Sevier, Samuel P. Cochran, Esquire, and Thomas S. Henderson, Esquire, a commission to investigate the advisability of the State of Texas acquiring all remaining property privately owned in the block bounded by Alamo Plaza, Crockett, Nacogdoches and East Houston Streets, in the city of San Antonio, surrounding the historic Alamo, the approximate cost thereof, and the means to be used; and

Whereas, Said commission has reported back with recommendation that said property be acquired by the State, together with an estimate of the probable cost thereof; and

Whereas, Said recommendation should be adopted and said property so acquired as part of the Alamo property and reservation in the city of San Antonio; therefore, be it.

Mr. Purl moved the previous question on the pending amendment and the bill, and the main question was ordered.

Question first recurring on committee amendment No. 1, it was adopted by the following vote:
